**flowers template:**

**to use:**

1. Any student that brings in a recyclable item should be given a flower to add to the garden. Students can write their name on the flower or decorate it if they wish.
2. If you'd like, laminate your spring garden & save it to use next year.

**instructions:**

1. Enlarge this sheet to use as a template.
2. Use multi-colored construction paper or butcher paper for your grass and flowers.
3. Watch your garden grow!
